## A. Our School

### 1. Brief History of Ying Wa College

Ying Wa College traces her history back to the Anglo-Chinese College founded in Malacca by Rev. Robert Morrison of the London Missionary Society in 1818. The mission of the school was the reciprocal cultivation of English and Chinese literature and the diffusion of Christianity. She trained students to be well versed in both Chinese and Western cultures, so as to help spread the gospel in China.

In 1843 when Hong Kong became the colony of Britain, Rev. James Legge brought the school to Hong Kong where she continued her educational, translation, and publishing activities. Since then, the school had experienced various internal and external difficulties, leading to repeated instances of closure and then reopening with renewed vigor. At present, Ying Wa remains one of the schools having the longest history in Hong Kong.
