SCHOOL REPORT 2015-2016

A. Our School

1. Brief History of Ying Wa College

Ying Wa College traces her history back to the Anglo-Chinese College founded in Malacca by Rev. Robert Morrison of the London Missionary Society in 1818. The mission of the school was the reciprocal cultivation of English and Chinese literature and the diffusion of Christianity. She trained students to be well versed in both Chinese and Western cultures, so as to help spread the gospel in China.

In 1843 when Hong Kong became the colony of Britain, Rev. James Legge brought the school to Hong Kong where she continued her educational, translation, and publishing activities. Since then, the school had experienced various internal and external difficulties, leading to repeated instances of closure and then reopening with renewed vigor. At present, Ying Wa remains one of the schools having the longest history in Hong Kong.

C. Our Teachers

1. Teachers' Qualification

The School has a strong team of 88 dedicated and professional teachers. With the school fund, we employed 1 additional NET and 6 additional teachers in order to support classroom teaching and student development initiatives. All of our teachers are graduates from university with 43 teachers holding at least one master's degree.

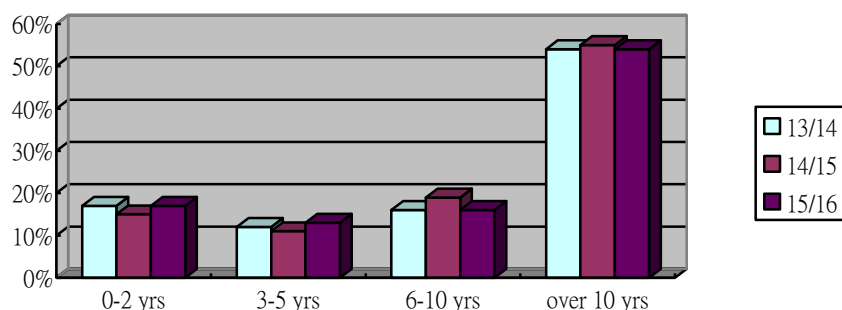

Over 94% of our teachers have received professional training in Education. All teachers teaching Chinese, English and Mathematics are subject-trained. All teachers teaching Putonghua have fulfilled the Language Proficiency Requirement.

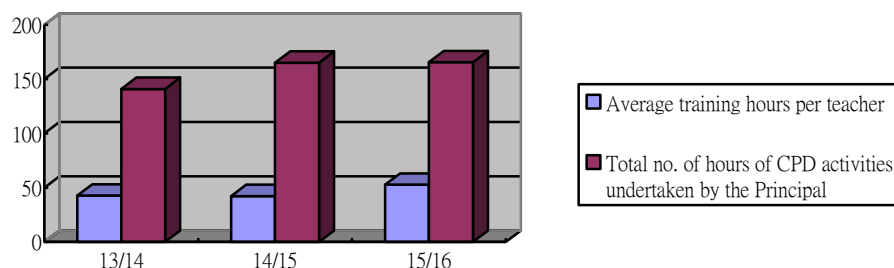

2. Teachers' Experience

Over 54% of our teaching staff have over 10 years of teaching experience.

3. Teachers' Professional Development

Before the start of the academic year 2015-16, 16 new teachers attended a half-day induction workshop to familiarize themselves with Ying Wa culture as well as school measures and policies. They also received information technology training. A mentor was assigned to each new teacher. Two months later, the new teachers gathered together to share their thoughts on their work. Mr. TC Mak, Vice-principal, and several experienced teachers also gave some useful pointers on how to handle student support affairs. All new teachers attended a “newly-employed teachers forum” organized by HKCCCC later on. CCC schools vision, mission and core values were shared.

In response to one of our school's major concerns – enhancement of learning atmosphere and attitude – practices such as promotion of assessment for learning, lesson collaboration and subject-based peer observation were at full throttle starting December 2015. Teachers shared their insights and good practices with their fellow colleagues.

Staff development sessions were held before the start of the school year 2015-16. Mr. Lam Sau Hong, a barrister, spoke on “School Legal Matters” and drew teachers’ attention to certain legal issues that might have ramifications on school campus. Besides, Professor Lau Siu Ying Patrick from CUHK conducted a seminar themed “How to cultivate a caring campus” whereby teachers were fully aware that a welcoming, caring campus was instrumental in facilitating the growth and well-being of our youngsters. In March, Miss Yeung, our school educational psychologist, gave a talk to teachers on “How to recognize the signs and symptoms of anxiety disorders among our students?” and she also offered her tips on how to provide specific, professional help for different student cases.

To promote the use of IT in learning and teaching, training via “Power lesson” and “Office 365” workshops was given to our teachers.

Before the Christmas holiday, teachers attended one of the five recreational interest classes, namely “stretching exercises and workouts”, “ceramic pottery making”, “embroidery & needlework”, “Ukulele playing” and “tea appreciation”. Some of the instructors were our teachers and the colleagues had a tremendously enjoyable time.

In the school year 2015-16, the total number of hours of CPD activities undertaken by the Principal were 165.5 hours and the average training hours per teacher were 52.79 hours.

4. Staff Turnover Rate

At the end of the academic year, 9 teachers (except for Assistant Teachers and Substitute Teachers) left Ying Wa. The school expressed her gratitude to them for their contribution to the school and wished them all the best.

F. Student Support

1. Evangelistic Work

With the mission to evangelize to our students, student fellowship, morning devotion and morning prayer meetings are conducted in our school. Guests and ministers of Ying Wa Church are invited to deliver sermons in the evangelistic morning assemblies. In addition, the Christian Fellowship, Gospel Week and Gospel Camp are held every year so that our students may come to a saving knowledge of Jesus Christ through various means.

The Gospel Week was held in November 2015. The programmes included evangelistic morning assemblies, gospel meetings, individual preaching and sermons.

The Summer Gospel Camp was held from 4 July to 6 July 2016 at Wu Kwai Sha Youth Village. Not only students of Ying Wa College, but also our teachers and alumni joined the camp. A sense of camaraderie was manifested.

Some Ying Wa boys joined local community services and overseas mission trips during the summer holiday in Mainland China and Central Asia. They conducted a series of programmes for the local students there and introduced these young people to Christ.

We would like to express our gratitude to Rev. Mr. Yap See Kiang, Pastor-in-charge of Ying Wa Church, for serving Ying Wa as our College Chaplain. May the Lord be glorified and His blessings be with us.
